

**REMARKS****Claims Listing**

The currently listing of the claims clarifies that claim 30 was not entered. New claims 31-60, as first presented on June 6, 2005, are re-presented for entry. Entry of this amendment is respectfully requested.

**Notice of Non-Compliant Amendment**

The Notice of Non-Compliant Amendment indicates that claims 1-27 were originally presented on June 3, 2005 and that claims 28-30 were missing from the amendment of June 6, 2005.

Claims 28 and 29 were presented in the International Application during the international preliminary examination phase by way of amendment on February 15, 2005. A copy of a PCT communication including an invitation pursuant to Rules 66.2 c), 66.3 and 66.4 of the PCT and the amendment responsive to the invitation are attached hereto as Attachment A. Accordingly, the claims pending in this application prior to the preliminary amendment of June 6, 2005 were claims 1-29. Applicant hereby corrects the listing of the claims to properly indicate that claims 1-29 are canceled, that claim 30 was not entered, and that claims 31-60 are newly presented for entry.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **595552000100**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.
